

Opening of a satellite office in the Tohoku region

Elephantech Inc. (head office: Chuo-ku, Tokyo, CEO: Shinya Shimizu, hereinafter “Elephantech”) manufactures P-Flex®, a single-sided flex PCB that can be produced with inkjet printing, which significantly reduces environmental burden following our mission of “Making the world sustainable with new manufacturing technologies”. As of December 1, 2019, we will be opening our Tohoku Satellite Office near Sendai Station following the expansion of our business.

With the opening of our Tohoku Satellite Office, we will be stepping up our efforts as a whole and are truly grateful for your continued support.
